WELCOME BACK TO 2012

Enlightening Jacksonville since 2012

A deep space photograph of a galaxy, likely the Milky Way, showing a bright central core and a dense field of stars. The galaxy's structure is visible as a glowing band of light against the dark background of space.

*If you want to build a ship
Don't drum up people to collect wood
And don't assign them tasks and work,
But rather...*

...teach them to long for the endless immensity of the sea
